WHOLESALE TRADE LIST

OF THE

D. Hill Nursery Company, Inc.

EVERGREEN SPECIALISTS

DUNDEE, ILLINOIS, U. S. A.

Season 1915-16

TERMS—Usual trade terms. Prices net. Boxing or baling at cost. 5 of same variety and size at 10 rates; 50 of same variety and size at 100 rates; 500 of same variety and size at 1,000 rates; 5,000 of same variety and size at 10,000 rates.

NOTE—You are invited to visit our big Evergreen Nursery. Come at any time—you are always welcome. Our location is only 35 miles northwest of Chicago on C. & N. W. Ry., and A., E. & C. Electric, which gives hourly service from Chicago, (corner 5th Avenue and Jackson Boulevard) to within two blocks of Nursery. We are wholesale growers and have been supplying the trade for over 50 years.

YOUNG STOCK FOR LINING OUT

The growing of young Evergreen and Deciduous Stock in small sizes suitable for lining out in nursery row has been a specialty with us for over half a century. That our stock gives satisfaction is attested by our rapidly growing list of customers whom we supply year after year. All stock strong, healthy and well rooted. Excellent for lining out.

Quality is our watchword. Try us this year. Our stocks are always freshly and carefully dug, properly graded to sizes, plainly labeled and tied twice in bundles of 50 and 100 each.

In purchasing young stock for lining out remember that our stock is American grown, therefore FULLY ACCLIMATED, ABSOLUTELY HARDY FREE FROM DISEASE. Being centrally located we can ship to all points in a few days' time. No exorbitant transportation charges, and the stock invariably reaches you in perfect condition, and is on hand just when you want it.

These points mean the difference between 100% stands and 50% stands.

Try Hill's stock this year—AND SEE THE DIFFERENCE.

OFFICE OF THE ILLINOIS STATE ENTOMOLOGIST

No. 15.

Urbana, Ill., August 19, 1915.

This is to Certify that the growing nursery stock and premises of the D. Hill Nursery Company, Inc., situated at Dundee, Illinois, have been inspected by Messrs. Dull, Gage & Stafford, duly appointed inspectors of this office, according to the provisions of an Act to prevent the introduction and spread in Illinois of the San Jose scale and other dangerous insects and contagious diseases of fruits, in force, as amended July 1, 1909, and that said nursery and premises are apparently free from the San Jose scale and other dangerous insects and dangerous plant diseases.

This certificate applies only to the condition of this nursery for the year ending July 22, 1916.

P. A. GLENN,
Chief Inspector,STEPHEN A. FORBES,
State Entomologist.
